Assignment Screenshots

The screenshot shows a web application for a restaurant named 'Ristorante'. A modal window titled 'Reserve a Table' is open. The modal contains the following elements:

- Task 1:** A label 'Task 1' in red text is positioned above the 'Number of Guests' section.
- Number of Guests:** A row of radio buttons with labels 1, 2, 3, 4, 5, and 6. The radio button for '3' is selected.
- Section:** Two buttons labeled 'Non-Smoking' (green) and 'Smoking' (red). A red box highlights these buttons, with the label 'Task 2' in red text to its right.
- Date and Time:** Two input fields labeled 'Date' and 'Time'.
- Buttons:** Two buttons at the bottom labeled 'Cancel' and 'Reserve'.

In the background, a 'Reserve Table' button is visible on the right side of the page, with the label 'Task 3' in red text next to it.

Below the modal, there is a section for 'Uthappizza' with a 'HOT' badge and a price of '\$4.99'. The description reads: 'A unique combination of Indian Uthappam (pancake) and Italian pizza, topped with Cerignola olives, ripe vine cherry tomatoes, Vidalia onion, Guntur chillies and Buffalo Paneer.' To the right of this section is the text 'Our Lipsmacking Culinary Creations'.
